

The Trusted Mission Partner™

Connecting Innovation to Mission

Mission Technology. Delivered.™

HEALTHCARE

CAPABILITY STATEMENT

Service-Disabled Veteran-Owned Small Business (SDVOSB)

HUBZone Certified | Small Disadvantaged Business

COMPANY OVERVIEW

Where mission readiness meets the point of care.

Mercury Federal delivers advanced medical devices and life-saving equipment that help government agencies, healthcare providers, and industry partners improve outcomes, strengthen readiness, and save lives — in hospitals, in the field, and everywhere in between.

As a Service-Disabled Veteran-Owned, HUBZone-certified value-added reseller, we simplify acquisition by connecting trusted medical technology partners with the agencies, providers, and missions that protect our Nation — including sole-source authority under FAR 19.14 that lets qualifying requirements move without a competitive delay.

Mission First. Partner Always.

CORE CAPABILITIES

OPERATIONAL MEDICINE

Portable, field-ready medical devices that support forward care, expeditionary medicine, and operational readiness.

EMERGENCY MEDICINE

Equipment and solutions that enable rapid response and disaster readiness.

PORTABLE MEDICAL TECHNOLOGY

Lightweight, rugged, and mobile medical devices designed for any environment.

MEDICAL READINESS

Solutions that strengthen medical readiness, resilience, and mission success.

CRITICAL CARE

Advanced life support and monitoring equipment for critical care in the most challenging environments.

PATIENT MONITORING

Continuous monitoring solutions that improve patient outcomes and clinical decision-making.

CLINICAL INNOVATION

Innovative technologies that enhance clinical workflows, efficiency, and outcomes.

LOGISTICS & SUSTAINMENT

Supply chain, logistics, and sustainment support that keeps missions ready and equipment operational.

200+ YEARS OF COMBINED EXECUTIVE LEADERSHIP

Military • Government • Healthcare • Enterprise Technology

ACTIVE CONTRACT VEHICLES — *ready to execute today*

GSA Schedule (CTA) 47QSWA18D008F — *via Carahsoft*

SOLE-SOURCE AUTHORITY

SDVOSB + HUBZone — stacked certification enabling direct award authority under FAR 19.14, without a competitive solicitation, for qualifying requirements.

DIFFERENTIATORS

- Clinical oversight from a Chief Medical Officer with 20+ years as an active-practice ER physician — clinical judgment, not just sales
- Stacked SDVOSB + HUBZone certification — sole-source authority under FAR 19.14 most competitors can't offer
- Deep experience across military and federal healthcare environments
- Access to best-in-class healthcare technology and devices, backed by GPO purchasing power reaching thousands of hospitals
- Agile, responsive, and easy to do business with

PAST PERFORMANCE

Supporting government agencies across the Department of Defense, Veterans Affairs, HHS, and other civilian agencies with innovative healthcare solutions that improve outcomes, strengthen readiness, and save lives.

Trusted by agencies. Driven by results.
