CAPABILITY STATEMENT

Service-Disabled Veteran-Owned Small Business (SDVOSB)
HUBZone Certified | Small Disadvantaged Business

COMPANY OVERVIEW

Mercury Federal delivers innovative, secure, and scalable information technology solutions that help government agencies, healthcare providers, and industry partners identify, acquire, and deploy the technologies that strengthen mission outcomes.

As a Service-Disabled Veteran-Owned, HUBZone-certified value-added reseller, we simplify acquisition by connecting trusted technology partners with the agencies and missions that protect our Nation — including sole-source authority under FAR 19.14 that lets qualifying requirements move without a competitive delay.

Mission First. Partner Always.

SOLE-SOURCE AUTHORITY

SDVOSB + HUBZone — stacked certification enabling direct award authority under FAR 19.14, without a competitive solicitation, for qualifying requirements.

COMPETITIVE ADVANTAGES

- ✓ Executive leadership with direct DoD CIO and DoN CIO experience — we've sat on your side of the acquisition table
- ✓ Stacked SDVOSB + HUBZone certification — sole-source authority under FAR 19.14 most competitors can't offer
- ✓ Named business development contacts with direct emails and phone — no call center, no account rotation
- ✓ Deep understanding of government IT challenges and procurement
- ✓ Proven record of successful mission outcomes

PAST PERFORMANCE

Supporting government agencies across defense, intelligence, civilian, and health sectors with innovative IT solutions that strengthen security, improve operations, and drive mission success.

★★★★★

Trusted by agencies. Driven by results.
